# Highlights

A visit to a youth-led organisation that manages and provides space for young people with diverse aspirations

Importance of youth leadership and the role that young people can play in creating positive change in their communities.

In university laboratories, I saw first hand the importance of effective leadership in the scientific community.

Renewed appreciation about the potential of youth and the power of collaboration in making a positive impact in the world.

# EUDRES - International Engagement Circus in Timisoara

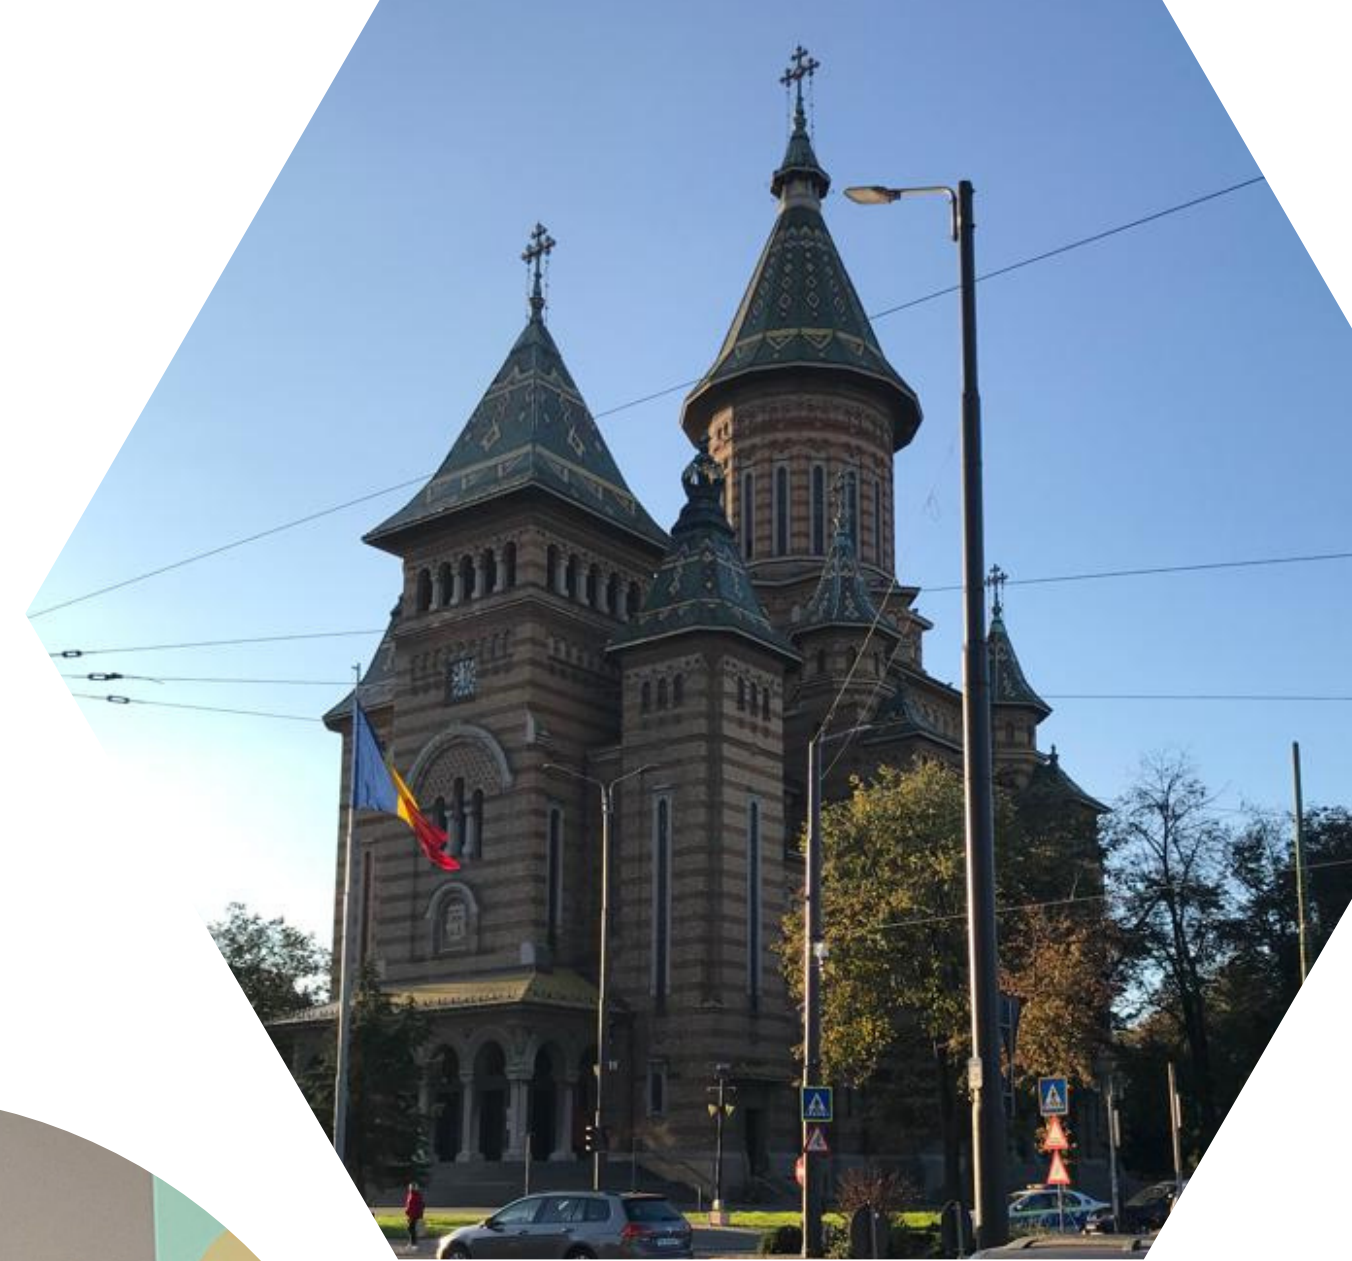

# In conclusion

My trip to Romania was a truly eye-opening experience.

Not only did I come away with a renewed appreciation for the potential of youth, but I also gained valuable leadership insights that will be useful in my future endeavors.

Later we participated in a Social Hackathon...Idea from Romania trip
