CERTIFICATE

This is to certify that Dr. Stoimir Kolarević, Principal Research Fellow, and Dr. Margareta Kračun-Kolarević, Senior Research Associate, employed at the Department of Hydroecology and Water Protection of the Institute for Biological Research “Siniša Stanković” - National Institute of the Republic of Serbia, University of Belgrade, have successfully completed training at the Institute of Aquaculture and Environmental Safety of the Hungarian University of Agriculture and Life Sciences (MATE) in Gödöllő (Hungary), during the period 20–24 November 2023. During the training, Dr. Kolarević and Dr. Kračun-Kolarević became acquainted with the organization and operation of the zebrafish (*Danio rerio*) facility, including fish housing, reproduction and maintenance, ecotoxicological experiments, work with transgenic lines, use of microinjectors, optimization of laboratory workflow, and aspects of animal welfare. The training was conducted by Head of Department, Associate Professor István Szabó, Senior Research Fellow Zsolt Imre Csenki-Bakos, Research Fellow Illés Bock, and Anita Rác.

This certificate is issued as proof of participation and successful completion of the training at the Institute of Aquaculture and Environmental Safety of the Hungarian University of Agriculture and Life Sciences (MATE) in Gödöllő (Hungary) and cannot be used in other purposes.

Mirjana Mihailović, PhD
