

Ljubljana, 29. 09. 2025

CERTIFICATE

This is to certify that Dr. Matjaž Novak (Scientific Associate), Ms. Sonja Žabkar, and PhD student Ms. Iza Rozman, employed at the Department of Genetic Toxicology and Cancer Biology, National Institute of Biology, Slovenia, have successfully completed a training program at the Institute of Aquaculture and Environmental Safety, Hungarian University of Agriculture and Life Sciences (MATE), Gödöllő, Hungary, during the period 19 - 23 May 2025.

During the training, Dr. Matjaž Novak, Ms. Sonja Žabkar, and Ms. Iza Rozman became acquainted with the organization and operation of the zebrafish (*Danio rerio*) facility, including fish housing, reproduction, and maintenance, ecotoxicological experiments, work with transgenic lines, use of microinjectors, optimization of laboratory workflows, and aspects of animal welfare.

The training was conducted under the supervision of Senior Research Fellow Zsolt Imre Csenki-Bakos, PhD. This certificate is issued as proof of participation and successful completion of the training at the Institute of Aquaculture and Environmental Safety, Hungarian University of Agriculture and Life Sciences (MATE), Gödöllő, Hungary, and shall not be used for any purposes other than confirmation of training.

Sincerely,
